ABOUT US

01

Earnodot is a leading Romanian-based wealth management provider, offering a range of flexible products and investment solutions through our newly improved online platform.

We strongly believe in the value of advice and only offer our products through qualified financial advisers.

Together with advisers, we help hundreds of thousands of customers like you look after their money and achieve their financial goals.

Our goal is to provide our investors with a reliable source of good income, while minimizing any possible risks and offering a high-quality service, allowing us to automate and simplify the relations between the investors and the trustees. We work towards increasing your profit margin by profitable investment. We look forward to you being part of our community.

With our easy-to-use online platform, you'll have more control over your financial position. You and your financial adviser can manage your investments online, react more quickly to market developments and alter your asset choice whenever you want.

Earnodot - We combine our decades of business ownership and expertise with strong business foundations to establish the systems and strategies for long-term growth.

We own businesses across the food, healthcare, housing, transport, insurance, data management, and blockchain industries. Specialized in streamlining our businesses for success, we position them for strategic long-term growth.

Earnodot owns an integrated chain of businesses focused on the products and services that provide life's modern necessities.

Our goal is to provide our investors with a reliable source of good income, while minimizing any possible risks and offering a high-quality service, allowing us to automate and simplify the relations between the investors and the trustees. We work towards increasing your profit margin by profitable investment. We look forward to you being part of our community.

Earnodot, we emphasize understanding our client's requirements and providing suitable solutions to meet their investment criteria. Our aim is to utilize our expertise and knowledge which will benefit our clients and the users of our services. Our company believes that when a team outperforms expectations, excellence becomes a reality.
